

**Fact Sheet for Palominas/Hereford Rural Health Clinic**  
**Address: 10524 E. Highway 92, Palominas, AZ 85615**

The 2900 square foot building accommodates two physician's offices and six exam rooms. The building's exterior is southwestern in character, with a stucco finish and red roof.

**Staffing Plan:**

**Patients of all ages will have access to the following medical providers:**

**Jean Robidoux**  
**Pediatric Nurse Practitioner**

**Kathleen Jones, MD**  
**Internal Medicine**

**Kathy Griesemer**  
**Physician's Assistant**

**Sliding fee scale services are available. As a Rural Health Clinic, patients with limited financial resources or without insurance will be assisted to apply for financial assistance or billed based on their income level under federal guidelines. Most insurances accepted.**

**Medical Services include office visits, immunizations, and laboratory services.**

***Appointments & Walk-Ins Welcome Monday through Friday (520) 366-0300***

Copper Queen Community Hospital is pleased to be able to extend its services to the Palominas/Hereford Area. Access to Primary Healthcare throughout southern Cochise County is at the core of the hospital's mission statement.

Our thanks to all those who supported our effort to bring the Clinic into being.
